All Done by Democrats.

About Vandigham's address Judge Lawrence said to the recent Democratic State Convention in Indiana:

"How absurd are complaints! Val was arrested by a Democratic Marshal, convicted by a Democratic tribunal, sentenced by a Democratic General, the proceedings all confirmed by a Democratic Judge of the United States Court, and it was left to the kindness of a Republican Executive to so modify his sentence that he might be turned over to his Southern friends! I think the authority of Washington, Jefferson, Jackson and the United States Court as good as that of Val and Pugh."
